

ELITE^{SERIES} 5

FILTERED WHOLE OF HOUSE

Don't Let Raw Tap Water Ruin Your Home

DAMAGE TO APPLIANCES

Build up of sediment and mineral deposits decreases the life span and effectiveness of your appliances

DIRTY PIPES

If you can see the build-up on your appliances, imagine your pipes!

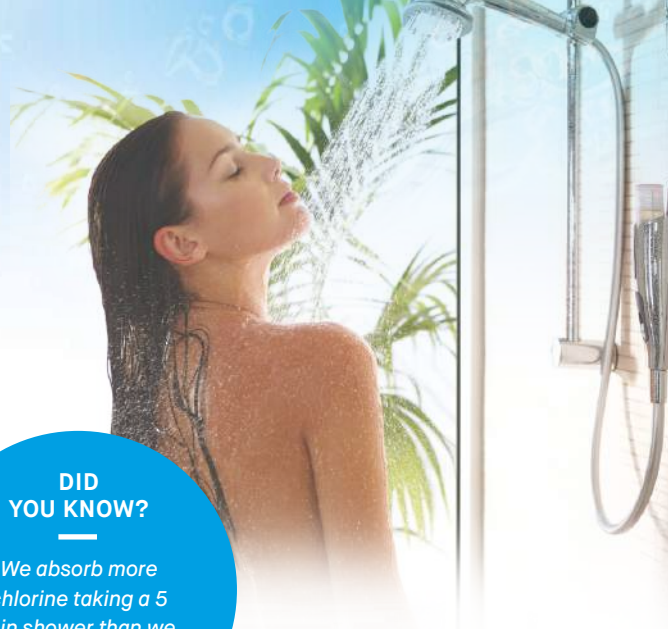

BACTERIA

Drinking water can still be contaminated through old, dirty pipes

SHOWER SCUM

Hard water stains and scum build up over time and becoming harder to remove

DID YOU KNOW?

We absorb more chlorine taking a 5 min shower than we do drinking 8 glasses of raw tap water

Or Your Body...

SKIN CONDITIONS & IRRITATIONS

Long baths or showers destroys more of the skin's natural oils, resulting in drier skin, aggravating skin conditions such as eczema

AGES THE SKIN

Overtime, skin will weaken under the stress caused by chlorine exposure, eventually leading to the development of premature wrinkles.

DAMAGES HAIR

Chlorine bonds to the protein in hair and can leave it dry and brittle

PURE WATER THROUGH EVERY TAP IN YOUR HOME

KEY FEATURES

STAINLESS STEEL COVER

UV resistant and solid construction, shielding your unit from the elements

INTELLIGENT DESIGN

The built-in smart gauge let's you know what water pressure you have coming in to your water filters - to let you know the filters are working properly.

BYPASS VALVES

Smart bypass valves for changing of filters or maintenance of system.
